Pangea3 Appoints Marilyn Primiano as Vice President, Legal Services - Forbes

February 13, 2007

NEW YORK — Pangea3 LLC, the global leader in legal process outsourcing to corporate in-house counsel and U.S. law firms, has named Marilyn Primiano as Vice President, Legal Services.

Primiano will report to Pangea3's Co-CEO, Sanjay Kamlani, and will work with the existing management team to oversee operations in Mumbai where she will be based. Primiano will complement Pangea3's current U.S. attorney team in Mumbai focusing on operational processes and continue delivering U.S.-quality legal services to Pangea3's worldwide clientele.

"Marilyn's experience in the legal outsourcing industry combined with her legal acumen makes her an ideal candidate to join our Mumbai operations," says David Perla, Co-CEO of Pangea3 LLC. "As the amount of outsourced work in the legal industry increases and Pangea3 enters its next stage of growth, Marilyn will be a valuable asset by preserving Pangea3's world-class standards." Prior to joining Pangea3, Primiano was the Head of Business at Datamatics Technologies, Ltd., an international business process outsourcing company, where she led the legal business process outsourcing and knowledge process outsourcing division. Primiano was responsible for the day-to-day management of the division including attorney supervision, quality control, training, recruitment and retention. She also served as the U.S. liaison between foreign clients and Datamatics' India offices.

"I am truly honored to be selected for this position," said Primiano. "Pangea3 is in an exciting phase – a global marketplace in a growing industry and a stellar team of attorneys and scientists. I look forward to the challenge of combining my experience as an attorney with my previous experience in outsourcing."

Prior to Datamatics, Primiano was an attorney at the Philadelphia-based law firm Dilworth Paxson, LLP, where she specialized in insurance litigation, complex commercial litigation, and bankruptcy law.

Primiano holds a J.D. from Villanova University and a B.A. from the University of Pennsylvania. She is a member of the Pennsylvania and New Jersey bars.

About Pangea3 LLC

Pangea3 is the leading provider of outsourced legal, patent and IP technical support services to U.S. corporations and law firms. The company combines top talent – lawyers, engineers and technologists in the U.S. and India – with a secure global technology infrastructure in order to provide low-cost, high-quality legal support services to a global client base. Pangea3 is headquartered in New York City and Mumbai, India.
