**Pangea3 Announces New Discount for Corporate Executive Board's General Counsel Roundtable Members**

*The new discount will give Corporate Executive Board's GCR members additional value on Pangea3's end-to-end legal and intellectual property outsourcing solutions*

NEW YORK, June 29 – Pangea3 LLC, the pre-eminent provider of legal outsourcing solutions to the world's most respected corporations and the law firms that represent them, announced today the expansion of its discount to Corporate Executive Board's General Counsel Roundtable (GCR) members under GCR's Vendor Preferred Pricing Program. Pangea3's new offer will provide GCR members with an exclusive annual discount on the company's legal outsourcing services in the areas of litigation, intellectual property, corporate, and risk management and compliance. In 2008, Pangea3 was selected as the first legal outsourcing provider to join the GCR's Vendor Preferred Pricing Program.

"It's not a surprise that in today's economy, general counsel focus heavily on controlling outside legal costs," said Steven Williams, managing director, General Counsel Roundtable, Corporate Executive Board. "We are delighted that Pangea3 is expanding the exclusive benefits it is offering to our GCR member general counsel around the world."

"The General Counsel Roundtable is an excellent resource for thought leadership, best practice information and benchmark reports," said David Perla, Co-CEO, Pangea3. "We are pleased to participate in this program and to provide GCR members with additional savings on our end-to-end legal solutions."

Consistent with its role as an objective source of information for its members, The Corporate Executive Board's GCR does not endorse specific vendors and will continue its policy of not accepting any remuneration from a vendor. All program discounts will go directly to GCR members. Over time, GCR plans to expand the program to include qualified vendors used by GCR member legal departments.

GCR members who have questions about the Vendor Preferred Pricing Program are encouraged to contact the GCR. For additional information about Pangea3's discount for GCR members please contact [info@pangea3.com](mailto:info@pangea3.com) or call 212-689-3819.
